WHY YOU SHOULD CHOOSE US FOR YOUR WEB DESIGN NEEDS

As a designer, it is my job to help bring your dream to reality. It is my duty to help guide you in a manner that will ensure the success of your project. I will propose ideas and concepts that could be beneficial. I want you to have a BIG return on your design investment. My goal is to assist you with creating a great first impression to your audience and land the sale! With my website, graphic design, SEO and marketing skills, I'll help you achieve a maximum ROI on your investment.

I design web sites to reflect your company's image. My designs are professionally built with visual graphics to help make your visitors feel comfortable and secure to stay longer and interact with what your offering. And because of this increased credibility, your visitors are more likely to purchase the products and services that you are selling. I will carefully research your business needs and plan a strategy to create the ideal web or graphic solution. Browse my web design portfolio or my graphic design portfolio.

You'll love doing business with me. I am responsive, well trained, and friendly. My design hours are Monday through Saturday 9am to 5PM, but I'm in front of my computers all day, everyday! For a faster reply it's best to contact me through email kirawynne@kwphotographydesign.com or you can call me Mon-Sat 9 am-5pm EST at 240-344-3224

Unlike some of my competitors, you will have full ownership of all your files once I'm done with your design. This gives you the right to take your files if you decide to move on to another design company. I'll do whatever it takes to keep you satisfied.

All standard website packages come with a free website submission/registration to crawler-based search engines such as Google, Yahoo, MSN and some other popular search engine sites. This service is valued at \$100.

I take full responsibility in guiding all my client's through their design project. I will keep you informed on a continual basis until your project is complete. I know how important your design is to you therefore I work around the clock to complete your project on time.

And to help with your website promotion, I will place a link on my website as well as my social networking pages to help get traffic to your website.

I'm so confident that I can create a design for any business, service or product. I'll do whatever it takes to make sure you are completely satisfied with your project. I'm here to give my customers what they want, when they want it, at a price that fits their expectations.

I'm not a fly by night type of business, here today and gone tomorrow, I will be right here (God willing). I design web sites and graphics because I have a passion for it. I'm bookworms and computer geek's and you can count on me to continue my education to keep my skills up-to-date in the design world.

I offer 90 days of free maintenance after your design is up and running, so if you discover something that you didn't notice before, I won't charge you to change it.

KW is an affordable web site design and development company designing since 2005.
